

Dear Participant,

Huge congratulations on being accepted on to our NPQEL Programme. As we know, research tells us that leadership is second only to teaching in making a difference to outcomes for young people. The programme you are embarking on will further enhance the contributions you can make to this. The NPQEL aims to help you to lead great quality teaching and curriculum, whether in a subject, year-group, key stage or a phase.

The aim of this letter is to help you begin to familiarise yourself with the programme and to start feeling ready for the exciting challenges and opportunities ahead of you.

All NPQs in the suite have been carefully constructed with some key areas of learning in mind, and these are listed below:

Course structure and approach.

The NPQEL has 18 months of study followed by an assessment period.

Our flexible study approach is underpinned by high quality, web-based self-study with plenty of online discussion with your peers and support from your course leader.

You will have heard from TDT when your national online seminar is, but you will also find the information about that, and the dates and venues of all other activities listed above in the attached calendar. Key activities in these sessions will include:

Your facilitators will be:

**Darren Turner**

[dturner@solihull.tgacademy.org.uk](mailto:dturner@solihull.tgacademy.org.uk)

Mr D Turner BA Ed Hons, MA Ed – Executive Principal for Tudor Grange Academies Trust, currently Principal at Tudor Grange Academy Kingshurst. Mr Turner qualified as a History and PE Teacher from St Luke’s College of Education at Exeter University in 1996. Led a department at a successful school in Winchester to National recognition whilst continuing to play semi-pro football, a high standard of cricket and coached Hampshire and England U17 Rugby. Returned to Birmingham to become a Director of Specialism at another successful school and began a journey of research into outstanding teaching, learning and leadership. Worked closely with both the SSAT and National College and gained his NPQH and Masters from Warwick University in Educational Leadership in 2010. As a Vice Principal, Mr Turner arrived in North Solihull at a school which had been closed by the DfE in December 2010 and with the support of a sponsor school re-opened the school as a new academy. Changed a culture, constructed a positive climate with an aspirational 'can do' and 'want to' attitude and in the space of 29 months the academy received Outstanding in full Ofsted inspection. Mr Turner has continued to help other schools improve and continues to deliver National College programmes and inspire teachers and students to achieve their absolute best. In September 2014 he joined the Tudor Grange Academies Trust as Principal of Tudor Grange Academy Solihull, he then moved to a position of Executive Principal within the Tudor Grange Academies Trust in 2017 and has led and coordinated leadership & management and school improvement in 4 of the Trust’s 6 secondary schools.

**Rachel Russell**

[russell@yewtree.tgacademy.org.uk](mailto:russell@yewtree.tgacademy.org.uk)

Rachael trained as a teacher at the Institute of Education in London. Rachael is an Executive Principal with Tudor Grange Academy Trust and works predominantly with the primary team. Rachael has been a Head Teacher, leading a school from repetitive requires improvement to good in a short period of time whilst developing a staff team that has since secured sustained improvement. Rachael is an accredited SENCo with a particular interest in SEMH provision. Rachael supports schools outside of TGAT as an LLE and highly values collaborative working which has supported her own professional development.

**Darren and Rachel will be your first port of call with any queries relating to your NPQ, if you have any further questions do contact us.**

Facilitators have completed extensive training so that they can support you in your programme. Asynchronous engagement in discussion boards will enable your facilitators to craft the sessions to suit your contexts, and to respond to questions you may have, using the materials provided by TDT. This is such an exciting time for us in the profession – the suite of professional qualifications will enable us to question our own tacit knowledge and theories of action, so that we can make evidence-based decisions in our schools. The fundamentals of school improvement depend on the culture of improvement and strong relational trust that will ensue.

#### **Expectations during sessions**

1. Attendance at sessions is mandatory. This includes webinars and face-to-face sessions.
2. During face-to-face sessions, participants are expected to wear professional dress.
3. During webinars, participants are expected to have cameras on and be able to use a microphone. The sessions are interactive, and use break-out rooms to discuss provocations, and thus engagement via camera and microphone is essential.
4. This is your space to learn, and we would ask that you put aside all other environmental distractions and priorities to engage fully in the sessions.
5. Your participation and engagement are pre-requisites to enable you and your colleagues to optimise the learning opportunities. This will mean that your preparation, using the asynchronous materials, in advance, is key, and that you are ready to respectfully share your perspectives on these. The programme will endeavour to enable you to question your own theories of action, so that you might enhance decision making in your own setting and others that you might encounter.
6. It is expected during the session for you to wear a red lanyard and not leave the lodge without being accompanied by TGAT staff.

We hope this serves as a useful introduction to your qualification. On the next page, you will find details of the schedule, including the dates of the various elements of the programme, some of which are local sessions and other are national events. TDT will be organising the national events and you should await further information from them regarding these elements.

We are really looking forward to working with you. If you have any questions, please do not hesitate to get in touch, using the following email address: [tsh@tgacademy.org.uk](mailto:tsh@tgacademy.org.uk)

Helen Myers,  
Acting Director of Teaching School Hub, Tudor Grange Academy.
