Your ECF course

- ▶ Cohorts start in September, January and April (alongside the standard induction start points).
- ▶ Full 2-year CPD course working with EDT (DfE accredited lead provider of ECF).
- ▶ The ECF builds on everything you've learned during ITT. It is about greater depth.
- ▶ ECTs must complete online learning as well as attend events to meet the DfE engagement criteria for their ECF.
- ▶ Events are always face-to-face for September cohorts and currently follow a hybrid model for January and April cohorts.
- ▶ ECTs can defer their course (like induction).
- ▶ ECTs can have an 'extended' or 'reduced' course to match their induction.
- ▶ Each term follows two 'blocks' of learning based on the ECF. The second year looks to deepen the understanding of the content covered in the first year.
- ▶ If your induction changes in any way (extended leave/contract changes/school changes) please notify us.
