Your facilitator will be:

I am currently a headteacher of a one-form entry primary school with a mainstream autism base. I am in my seventh year as a head with a proven track record of school, staff and leadership development.

During my career, I have taught in Key Stage 2 (predominately Year 6), been an English subject leader, SENCo, Assistant Head and Deputy Head, across a range of settings.

I am passionate about inclusion and well-being and believe that all children have the right to succeed. I believe that academic and personal development go hand in hand and that effective leadership, at all levels, is the driving force for pupil achievement.

I feel that my varied experiences of school development have provided me with a skill-set and toolkit that I can use to have a positive impact on other professional development and seeing the impact that this has had on wider school development and pupil outcomes rewarding.

I very much look forward to this new venture and working with like-minded professionals.

Lorraine will be your first port of call with any queries relating to your NPQLT, if you have any further questions do contact us.

Facilitators have completed extensive training so that they can support you in your programme. Asynchronous engagement in discussion boards will enable your facilitators to craft the sessions to suit your contexts, and to respond to questions you may have, using the materials provided by TDT.

This is such an exciting time for us in the profession – the suite of professional qualifications will enable us to question our own tacit knowledge and theories of action, so that we can make evidence-based decisions in our schools. The fundamentals of school improvement depend on the culture of improvement and strong relational trust that will ensue.

Course structure and approach

1. Attendance at sessions is mandatory. This includes webinars and face-to-face sessions.
2. During face-to-face sessions, participants are expected to wear professional dress.
3. During webinars, participants are expected to have cameras on and be able to use a microphone. The sessions are interactive, and use break-out rooms to discuss provocations, and thus engagement via camera and microphone is essential.
4. This is your space to learn, and we would ask that you put aside all other environmental distractions and priorities to engage fully in the sessions.
5. Your participation and engagement are pre-requisites to enable you and your colleagues to optimise the learning opportunities. This will mean that your preparation, using the asynchronous materials, in advance, is key, and that you are ready to respectfully share your perspectives on these. The programme will endeavour to enable you to question your own theories of action, so that you might enhance decision making in your own setting and others that you might encounter.
6. It is expected during the session for you to wear a red lanyard and not leave the lodge without being accompanied by TGAT staff.
7. You must have completed onboarding and have attended the first national seminar by **18th November 2024**. Failure to do so will result in any secured DfE funding being revoked and may result in not being able to apply for further NPQ funding in the future.

We hope this serves as a useful introduction to your qualification. On the next page, you will find details of the schedule, including the dates of the various elements of the programme, some of which are local sessions and other are national events. TDT will be organising the national events and you should await further information from them regarding these elements.

We are really looking forward to working with you. If you have any questions, please do not hesitate to get in touch, using the following email address:
