for Education

Regional Improvement for Standards and Excellence (RISE)

RISE is the DfE backed school improvement programme aiming to help **every** school to raise standards and break the link between young people's backgrounds and their future success.

Universal RISE aims to mobilise the strengths already in the system to raise standards everywhere. It is **available to all schools** to help them to:

- diagnose their school improvement needs
- connect with, and share best practice, knowledge and innovation
- identify high quality support and professional learning
- implement that support effectively

Universal RISE Support:

The West Midlands

<https://www.gov.uk/government/publications/rise-school-improvement-resources-west-midlands>

Shireland Collegiate Academy Trust

- Digital portal - high-quality resources and Primary and Secondary PD (English, EYFS, edtech) - [registration](#)

Matrix Academy Trust & Manor Primary

- [Primary RISE offer](#)
- [Secondary RISE reading and writing offer](#)
