Accessing Your Learning

Courses will appear in the *Current Learning* section as you progress.

You may experience a delay - this is normal:

1. Following completion of the induction course, you will gain access to a *Knowledge Diagnostic* quiz. This can take up to 24 hours.
2. Your mentor will assign you to a *Self-Study* learning pathway based on the outcome of the *Knowledge Diagnostic*, *Practical Diagnostic* and the outcome of the *Learning Path Discuss Meeting*. Until this has taken place, you will not see *Self-Study* in *Current Learning*.
3. After completing your *Self-Study* and the *Module Survey*, you will gain access to the following module.
